

Dear Customer

You are getting this letter as an account holder/depositor with Bank (Punjab & Maharashtra Cooperative Bank Ltd.).

We understand that as a PMC Bank account holder, you have experienced inconvenience, uncertainty and hardship over the last couple of years. We are sensitive to your concerns and financial needs. **We have very good news for you!**

Unity Small Finance Bank has taken over the PMC Bank! Your PMC account will now migrate to Unity SFB. Unity has invested more than Rs. 1100 crores of capital already towards setting up the bank. As a part of the amalgamation scheme approved by RBI and the Government of India, along with the support of DICGC, you will now be able to access your funds.

Unity Small Finance Bank is jointly promoted by Centrum Financial Services Limited (CENTRUM), the established and profitable small business lending arm of the Centrum Group and Resilient Innovations Private Limited (Bharatre), one of India's fastest-growing fintech companies. The combined expertise of Centrum and BharatPe, with a strong leadership team comprising seasoned professionals, will provide a robust foundation to drive the growth of the bank.

The settlement process is as per the Govt. of India-sanctioned Punjab and Maharashtra Co-operative Bank Ltd. (Amalgamation with Unity Small Finance Bank Ltd.) Scheme 2022. Based on your aggregated eligible balance across PMC account(s) in the 'Same capacity and Same right' (as per the DICGC settlement procedure), you will soon be assigned one of the following groups to decide your eligibility.
